NON-DISCLOSURE AGREEMENT

This agreement made on _____ by The Replica Forge now called the Receiver, and _____ now called the Discloser. Semora Prints agrees that all communications between the parties will be kept confidential, this includes, facebook communications, emails, calls, and any other kind of or type of communication. Further The Replica Forge will not disclose to anyone that they are working with and or for the other party, unless the other party allows them to do so, and states such in writing. Email approval shall suffice as approval for the sake of this agreement. The Disclosure warrants that all information / data / files that they provide are theirs to provide, and that they are not violating any Trademark, Copyright or other ownership right(s) of any other person. If the Receiver is served with a subpoena or other legal demand by a third party for the information, the Receiver will comply with said legal warrant or subpoena / request.

The Replica Forge agrees that also that any and all shared designs, measured drawings, design files, both digital and paper and schematic prints are not to be shared with anyone. Once all work is done and is approved by the Discloser. The Replica Forge will after a period of 30 days erase / shred all digital / paper related files that were provided by the Discloser. The Discloser agrees that all disputes relating to this agreement are to be handled in Courts that are located in Calhoun County, Michigan.
